Citations Affected: IC 6-3.5; noncode.

Synopsis: County income tax distributions. Distributes county adjusted gross income tax (CAGIT) revenue to civil taxing units and school corporations and county option income tax (COIT) revenue to civil taxing units according to a formula that (1) excludes the portion of property taxes used to pay debt issued after June 30, 2005, and (2) includes the previous year's local income tax distribution. Changes the date (from January 1 to July 1) on which residency is determined for purposes of the county adjusted gross income tax, the county option income tax, the county economic development income tax, and the municipal option income tax.

However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. 7 SECTION 2. IC 6-3.5-1.1-9 IS AMENDED TO READ AS
 8 FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 9. (a) Revenue derived
 9 from the imposition of the county adjusted gross income tax shall, in
 10 the manner prescribed by this section, be distributed to the county that
 11 imposed it. The amount to be distributed to a county during an ensuing
 12 calendar year equals the amount of county adjusted gross income tax
 13 revenue that the department, after reviewing the recommendation of the
 14 budget agency, determines has been:

- 15 (1) received from that county for a taxable year ending before the
- 16 calendar year in which the determination is made; and
- 17 (2) reported on an annual return or amended return processed by
- 18 the department in the state fiscal year ending before July 1 of the
- 19 calendar year in which the determination is made;

20 as adjusted (as determined after review of the recommendation of the
 21 budget agency) for refunds of county adjusted gross income tax made
 22 in the state fiscal year.

23 (b) Before August 2 of each calendar year, the department, after
 24 reviewing the recommendation of the budget agency, shall certify to the
 25 county auditor of each adopting county the amount determined under
 26 subsection (a) plus the amount of interest in the county's account that
 27 has accrued and has not been included in a certification made in a
 28 preceding year. The amount certified is the county's "certified
 29 distribution" for the immediately succeeding calendar year. The amount
 30 certified shall be adjusted under subsections (c), (d), (e), (f), and (g).
 31 The department shall provide with the certification an informative
 32 summary of the calculations used to determine the certified
 33 distribution.

34 (c) The department shall certify an amount less than the amount
 35 determined under subsection (b) if the department, after reviewing the
 36 recommendation of the budget agency, determines that the reduced
 37 distribution is necessary to offset overpayments made in a calendar
 38 year before the calendar year of the distribution. The department, after
 39 reviewing the recommendation of the budget agency, may reduce the
 40 amount of the certified distribution over several calendar years so that
 41 any overpayments are offset over several years rather than in one (1)
 42 lump sum.

(d) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide the county with the distribution required under section 10(b) of this chapter.

(f) This subsection applies to a county that:

(1) initially imposes a the county adjusted gross income tax; or

(2) increases the county adjusted income tax rate;

under this chapter in the same calendar year in which the department makes a certification under this section. The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(g) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide the county with the distribution required under section 3.3 of this chapter beginning not later than the tenth month after the month in which additional revenue from the tax authorized under section 3.3 of this chapter is initially collected.

SECTION 3. IC 6-3.5-1.1-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 11. (a) Except for:

(1) revenue that must be used to pay the costs of operating a jail and juvenile detention center under section 2.5(d) of this chapter;

(2) revenue that must be used to pay the costs of:

(A) financing, constructing, acquiring, improving, renovating, or equipping facilities and buildings;

(B) debt service on bonds; or

(C) lease rentals;

under section 2.8 of this chapter;

(3) revenue that must be used to pay the costs of construction, improvement, renovation, or remodeling of a jail and related buildings and parking structures under section 2.7, 2.9, or 3.3 of

1 this chapter;

2 (4) revenue that must be used to pay the costs of operating and
3 maintaining a jail and justice center under section 3.5(d) of this
4 chapter; or

5 (5) revenue that must be used to pay the costs of constructing,
6 acquiring, improving, renovating, or equipping a county
7 courthouse under section 3.6 of this chapter;

8 the certified distribution received by a county treasurer shall, in the
9 manner prescribed in this section, be allocated, distributed, and used
10 by the civil taxing units and school corporations of the county as
11 certified shares and property tax replacement credits.

12 (b) Before August 10 of each calendar year, each county auditor
13 shall determine the part of the certified distribution for the next
14 succeeding calendar year that will be allocated as property tax
15 replacement credits and the part that will be allocated as certified
16 shares. The percentage of a certified distribution that will be allocated
17 as property tax replacement credits or as certified shares depends upon
18 the county adjusted gross income tax rate for resident county taxpayers
19 in effect on August 1 of the calendar year that precedes the year in
20 which the certified distribution will be received by two (2) years. The
21 percentages are set forth in the following table:

COUNTY	PROPERTY TAX	
	REPLACEMENT CREDITS	CERTIFIED SHARES
ADJUSTED GROSS INCOME TAX RATE		
0.5%	50%	50%
0.75%	33 1/3%	66 2/3%
1%	25%	75%

22 (c) The part of a certified distribution that constitutes property tax
23 replacement credits shall be distributed as provided under sections 12,
24 13, and 14 of this chapter.

25 (d) The part of a certified distribution that constitutes certified
26 shares shall be distributed as provided by section 15 of this chapter.

27 SECTION 4. IC 6-3.5-1.1-12 IS AMENDED TO READ AS
28 FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 12. (a) The part
29 of a county's certified distribution for a calendar year that is to be used
30 as property tax replacement credits shall be allocated by the county
31 auditor among the civil taxing units and school corporations of the
32 county.

33 (b) Except as provided in section 13 of this chapter, the amount of
34 property tax replacement credits that each civil taxing unit and school
35 corporation in a county is entitled to receive during a calendar year

C

1 equals the product of:

2 (1) that part of the county's certified distribution that is dedicated
3 to providing property tax replacement credits for that same
4 calendar year; multiplied by

5 (2) a fraction:

6 (A) The numerator of the fraction equals the ~~sum of the total~~
7 ~~property taxes being collected by the civil taxing unit or school~~
8 ~~corporation during that calendar year; plus with respect to a~~
9 ~~civil taxing unit, the amount of federal revenue sharing funds~~
10 ~~and certified shares received by it during that calendar year to~~
11 ~~the extent that they are used to reduce its property tax levy~~
12 ~~below the limit imposed by IC 6-1.1-18.5 for that same~~
13 ~~calendar year~~ **allocation amount for the civil taxing unit or**
14 **school corporation during that calendar year.**

15 (B) The denominator of the fraction equals the sum of the ~~total~~
16 ~~property taxes being collected by all civil taxing units and~~
17 ~~school corporations; plus the amount of federal revenue~~
18 ~~sharing funds and certified shares received by all civil taxing~~
19 ~~units in the county to the extent that they are used to reduce~~
20 ~~the civil taxing units' property tax levies below the limits~~
21 ~~imposed by IC 6-1.1-18.5 for that same calendar year~~
22 **allocation amounts for all the civil taxing units and school**
23 **corporations of the county for that calendar year.**

24 (c) The department of local government finance shall provide each
25 county auditor with the amount of property tax replacement credits that
26 each civil taxing unit and school corporation in the auditor's county is
27 entitled to receive **under this section**. The county auditor shall then
28 certify to each civil taxing unit and school corporation the amount of
29 property tax replacement credits it is entitled to receive (after
30 adjustment made under section 13 of this chapter) **under this section**
31 during that calendar year. The county auditor shall also certify these
32 distributions to the county treasurer.

33 SECTION 5. IC 6-3.5-1.1-14 IS AMENDED TO READ AS
34 FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 14. (a) In
35 determining the amount of property tax replacement credits civil taxing
36 units and school corporations of a county are entitled to receive during
37 a calendar year, the department of local government finance shall
38 consider only property taxes imposed on tangible property that was
39 assessed in that county.

40 (b) If a civil taxing unit or a school corporation is located in more
41 than one (1) county and receives property tax replacement credits from
42 one (1) or more of the counties, then the property tax replacement

C
o
p
y

credits received from each county shall be used only to reduce the property tax rates that are imposed within the county that distributed the property tax replacement credits.

(c) A civil taxing unit shall treat any property tax replacement credits that it receives or is to receive during a particular calendar year as a part of its property tax levy for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(d) Subject to subsection (e), if a civil taxing unit or school corporation of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which property tax replacement credits are being distributed, the civil taxing unit or school corporation is entitled to use the property tax replacement credits distributed to the civil taxing unit or school corporation for any purpose for which a property tax levy could be used.

~~(d)~~ (e) A school corporation shall treat any property tax replacement credits that the school corporation receives or is to receive during a particular calendar year as a part of its property tax levy for its general fund, debt service fund, capital projects fund, transportation fund, **school bus replacement fund**, and special education preschool fund in proportion to the levy for each of these funds for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-19. A school corporation shall allocate the property tax replacement credits described in this subsection to all ~~five (5)~~ **six (6)** funds in proportion to the levy for each fund.

SECTION 6. IC 6-3.5-1.1-15 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 15. (a) As used in this section, ~~"attributed levy"~~ **"attributed allocation amount"** of a civil taxing unit **for a calendar year** means the sum of:

(1) the ~~ad valorem property tax levy of the civil taxing unit that is currently being collected at the time the allocation is made; plus~~ **allocation amount of the civil taxing unit for that calendar year; plus**

(2) the current ad valorem property tax levy of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit; plus

(3) the ~~amount of federal revenue sharing funds and certified shares that were used by the civil taxing unit (or any special taxing district, authority, board, or other entity formed to~~

C

discharge governmental services or functions on behalf of or
ordinarily attributable to the civil taxing unit) to reduce its ad
valorem property tax levies below the limits imposed by
IC 6-1.1-18.5; plus

(4) (3) in the case of a county, an amount equal to the property
taxes imposed by the county in 1999 for the county's welfare fund
and welfare administration fund.

(b) The part of a county's certified distribution that is to be used as
certified shares shall be allocated only among the county's civil taxing
units. Each civil taxing unit of a county is entitled to receive a
percentage of the certified shares to be distributed in the county equal
to the ratio of its attributed levy to the total attributed levies of all civil
taxing units of the county: **certified share during a calendar year in
an amount determined in STEP TWO of the following formula:**

STEP ONE: Divide:

**(A) the attributed allocation amount of the civil taxing unit
during that calendar year; by**

**(B) the sum of the attributed allocation amounts of all the
civil taxing units of the county during that calendar year.**

**STEP TWO: Multiply the part of the county's certified
distribution that is to be used as certified shares by the STEP
ONE amount.**

(c) The local government tax control board established by
IC 6-1.1-18.5-11 shall determine the attributed levies of civil taxing
units that are entitled to receive certified shares during a calendar year.
If the ad valorem property tax levy of any special taxing district,
authority, board, or other entity is attributed to another civil taxing unit
under subsection (b)(2); (a)(2), then the special taxing district,
authority, board, or other entity shall not be treated as having an
attributed ~~levy~~ **allocation amount** of its own. The local government tax
control board shall certify the attributed ~~levy~~ **allocation** amounts to the
appropriate county auditor. The county auditor shall then allocate the
certified shares among the civil taxing units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated
as additional revenue for the purpose of fixing its budget for the
calendar year during which the certified shares will be received. The
certified shares may be allocated to or appropriated for any purpose,
including property tax relief or a transfer of funds to another civil
taxing unit whose levy was attributed to the civil taxing unit in the
determination of its attributed ~~levy~~ **allocation amount**.

Sec. 16. (a) For purposes of this chapter, an individual shall be treated as a resident of the county in which ~~he~~ **the individual**:

(1) maintains a home, if the individual maintains only one (1) in Indiana;

(2) if subdivision (1) does not apply, is registered to vote;

(3) if neither subdivision (1) or (2) applies, registers ~~his~~ **the individual's** personal automobile; or

(4) if neither subdivision (1), (2), or (3) applies, spends the majority of ~~his~~ **the individual's** time ~~spent~~ in Indiana during the taxable year in question.

(b) The residence or principal place of business or employment of an individual is to be determined on ~~January~~ **July** 1 of the calendar year in which the individual's taxable year commences. If an individual changes the location of ~~his~~ **the individual's** residence or principal place of employment or business to another county in Indiana ~~during~~ **after July 1** of a calendar year, ~~his~~ **the individual's** liability for county adjusted gross income tax is not affected.

(c) Notwithstanding subsection (b), if an individual becomes a county taxpayer for purposes of IC 36-7-27 during a calendar year because the individual:

(1) changes the location of the individual's residence to a county in which the individual begins employment or business at a qualified economic development tax project (as defined in IC 36-7-27-9); or

(2) changes the location of the individual's principal place of employment or business to a qualified economic development tax project and does not reside in another county in which the county adjusted gross income tax is in effect;

the individual's adjusted gross income attributable to employment or business at the qualified economic development tax project is taxable only by the county containing the qualified economic development tax project.

SECTION 8. IC 6-3.5-6-1.1 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2006]: **Sec. 1.1. (a) For purposes of allocating the certified distribution made to a county under this chapter among the civil taxing units in the county, the allocation amount for a civil taxing unit is the amount determined using the following formula:**

STEP ONE: Determine the total property taxes that are first due and payable to the civil taxing unit during the calendar year of the distribution plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the

**C
o

county's welfare fund and welfare administration fund.

STEP TWO: Determine the sum of the following:

(A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (b).

(B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (c).

(C) The proceeds of any property that are:

(i) received as the result of the issuance of a debt obligation described in clause (A) or a lease described in clause (B); and

(ii) appropriated from property taxes for any purpose other than to refund or otherwise refinance a debt obligation or lease described in subsection (b) or (c).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the civil taxing unit or school corporation's certified distribution for the previous calendar year.

(b) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit if:

(1) the debt obligation was issued; and

(2) the proceeds appropriated from property taxes; to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit if:

**C
o
p
y**

1 (1) the lease was issued; and
 2 (2) the proceeds were appropriated from property taxes;
 3 to refinance a debt obligation or lease issued before July 1, 2005.
 4 However, an appropriation from property taxes related to a lease
 5 entered into after June 30, 2005, is deducted if the lease extends
 6 payments on a debt or lease beyond the time in which the debt or
 7 lease would have been payable if it had not been refinanced or
 8 increases the total amount that must be paid on a debt or lease in
 9 excess of the amount that would have been paid if the debt or lease
 10 had not been refinanced. The amount of the deduction is the annual
 11 amount for each year of the extension period or the annual amount
 12 of the increase over the amount that would have been paid.

13 SECTION 9. IC 6-3.5-6-17 IS AMENDED TO READ AS
 14 FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 17. (a) Revenue
 15 derived from the imposition of the county option income tax shall, in
 16 the manner prescribed by this section, be distributed to the county that
 17 imposed it. The amount that is to be distributed to a county during an
 18 ensuing calendar year equals the amount of county option income tax
 19 revenue that the department, after reviewing the recommendation of the
 20 budget agency, determines has been:

21 (1) received from that county for a taxable year ending in a
 22 calendar year preceding the calendar year in which the
 23 determination is made; and
 24 (2) reported on an annual return or amended return processed by
 25 the department in the state fiscal year ending before July 1 of the
 26 calendar year in which the determination is made;
 27 as adjusted (as determined after review of the recommendation of the
 28 budget agency) for refunds of county option income tax made in the
 29 state fiscal year.

30 (b) Before August 2 of each calendar year, the department, after
 31 reviewing the recommendation of the budget agency, shall certify to the
 32 county auditor of each adopting county the amount determined under
 33 subsection (a) plus the amount of interest in the county's account that
 34 has accrued and has not been included in a certification made in a
 35 preceding year. The amount certified is the county's "certified
 36 distribution" for the immediately succeeding calendar year. The amount
 37 certified shall be adjusted, as necessary, under subsections (c), (d), and
 38 (e). The department shall provide with the certification an informative
 39 summary of the calculations used to determine the certified
 40 distribution.

41 (c) The department shall certify an amount less than the amount
 42 determined under subsection (b) if the department, after reviewing the

C
 o

1 recommendation of the budget agency, determines that the reduced
 2 distribution is necessary to offset overpayments made in a calendar
 3 year before the calendar year of the distribution. The department, after
 4 reviewing the recommendation of the budget agency, may reduce the
 5 amount of the certified distribution over several calendar years so that
 6 any overpayments are offset over several years rather than in one (1)
 7 lump sum.

8 (d) The department, after reviewing the recommendation of the
 9 budget agency, shall adjust the certified distribution of a county to
 10 correct for any clerical or mathematical errors made in any previous
 11 certification under this section. The department, after reviewing the
 12 recommendation of the budget agency, may reduce the amount of the
 13 certified distribution over several calendar years so that any adjustment
 14 under this subsection is offset over several years rather than in one (1)
 15 lump sum.

16 (e) This subsection applies to a county that:

17 (1) initially imposed ~~a~~ **county option income tax**; or

18 (2) **increases the county option income tax rate**;

19 under this chapter in the same calendar year in which the department
 20 makes a certification under this section. The department, after
 21 reviewing the recommendation of the budget agency, shall adjust the
 22 certified distribution of a county to provide for a distribution in the
 23 immediately following calendar year and in each calendar year
 24 thereafter. The department shall provide for a full transition to
 25 certification of distributions as provided in subsection (a)(1) through
 26 (a)(2) in the manner provided in subsection (c).

27 (f) One-twelfth (1/12) of each adopting county's certified
 28 distribution for a calendar year shall be distributed from its account
 29 established under section 16 of this chapter to the appropriate county
 30 treasurer on the first day of each month of that calendar year.

31 (g) Upon receipt, each monthly payment of a county's certified
 32 distribution shall be allocated among, distributed to, and used by the
 33 civil taxing units of the county as provided in sections 18 and 19 of this
 34 chapter.

35 (h) All distributions from an account established under section 16
 36 of this chapter shall be made by warrants issued by the auditor of state
 37 to the treasurer of state ordering the appropriate payments.

38 SECTION 10. IC 6-3.5-6-18 IS AMENDED TO READ AS
 39 FOLLOWS [EFFECTIVE JANUARY 1, 2006]: Sec. 18. (a) The
 40 revenue a county auditor receives under this chapter shall be used to:

41 (1) replace the amount, if any, of property tax revenue lost due to
 42 the allowance of an increased homestead credit within the county;

C

(2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);

(3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;

(4) make payments permitted under IC 36-7-15.1-17.5;

(5) make payments permitted under subsection (i); and

(6) make distributions of distributive shares to the civil taxing units of a county.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year. The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the ~~total property taxes that are first due and payable to the civil taxing unit during the calendar year in which the month falls; plus, for a county; an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund~~ allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the ~~total property taxes that are first due and payable to all civil taxing units of the county during the calendar year in which the month falls; plus an amount equal to the property taxes imposed by the county in 1999~~

for the county's welfare fund and welfare administration fund
allocation amounts of all the civil taxing units of the county
for the calendar year in which the month falls.

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made; as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county economic development income tax made in the state fiscal year plus the amount of interest in the county's account that has been accrued and has not been included in a certification made in a preceding year. The amount certified is the county's certified distribution, which shall be distributed on the dates specified in section 16 of this chapter for the following calendar year. The amount certified shall be adjusted under subsections (c), (d), (e), (f), and (g). The department shall provide with the certification an informative summary of the calculations used to determine the certified distribution.

The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) After reviewing the recommendation of the budget agency, the department shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The department, after reviewing the recommendation of the budget agency, may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide the county with the distribution required under section 16(b) of this chapter.

(f) The department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of a county to provide the county with the amount of any tax increase imposed under section 25 or 26 of this chapter to provide additional homestead credits as provided in those provisions.

(g) This subsection applies to a county that:
